

Ironplex™

Concentrated Liquid Iron

XTRA

Ironplex Xtra is a unique highly concentrated liquid iron with the added benefits of humic acids. Ironplex Xtra provides high concentrations of iron in a readily available form giving a rapid, prolonged greenup and strengthening of turf. Ironplex Xtra is ideal for use throughout the year.

Directions For Use: Ironplex Xtra is suitable for application throughout the year, even in colder conditions. Ironplex Xtra should be applied at a minimum concentration of 30 - 1 to ensure complete uptake of nutrients.

Caution: Keep out of reach of children. Keep in original container. Store in safe place. Wash concentrate from skin and eye immediately.

Application	Quantity of Ironplex Xtra	Water Volume	Area
For Repeat Treatments	0.5 ltr 10 lts	30 - 40 lts 600 - 800 lts	500 m ² 1 Hectare
