

Seaspray™

Seaweed Extract with Iron & Magnesium

Pro

- Seaweed extract with added iron and magnesium
- Perfect for use all year round
- Added iron will green up the turf and also help to protect against frost
- Designed to supplement any existing fertilizer programmes
- Economical and easy to apply

Seaspray Pro is an economical organic seaweed based soil conditioner with added iron and magnesium that is specifically designed for use on turf. Seaspray Pro can be used at any time of year and the added iron will help to maintain the colour and condition of the turf whilst helping to protect against stress.

Directions For Use:

Seaspray Pro should be applied at the rate of 10 - 40 lts mixed in a minimum of 300 lts of water per hectare. (0.5 - 2 lts per 500 m² in a minimum of 15 lts of water)

Caution:

In accordance with COSHH assessment when handling or using chemicals. Wash hands after use. Store in original container. Keep out of the reach of children.
