9. Physical and chemical properties

Appearance: White petroleum oil
pH:
Boiling point / boiling point range:
Melting point / melting point range:
Flash point: Non-flammable
Explosion limits:
Vapour pressure:
Density:
Solubility:
Partition coefficient:

10. Stability and reactivity

Stable under normal conditions.

11. Toxicological information

12. Ecological information

13. Disposal considerations

Dispose of both product and packings via an authorised waste disposal contractor

14. Transport information

Not applicable

15. Regulatory information

This product has been classified in accordance with The Chemicals (Hazard Information and Packaging for Supply) Regulations 2002: CHIP3

Hazard symbols: Xn Harmful
Risk phrases: R22 Harmful if swallowed
R36/37/38 Irritating to eyes, respiratory system and skin
Safety phrases: S26 In case of contact with eyes, rinse immediately with plenty of water and seek medical advice
S35 This material and its container must be disposed of in a safe way
S37/39 Wear suitable gloves and eye/face protection
