

# MAC Hi-Turbo

HSE: 10996-GB

Contains: Citric Acid (CAS: 77-92-9); propionic acid (CAS: 79-09-4); Quaternary ammonium compounds, benzyl-C12-16-alkyldimethyl, chlorides (M=10) (CAS: 68424-85-1) - 3.735% w/w; Didecyldimethylammonium chloride (CAS: 7173-51-5) - 1.879% w/w

Fast acting liquid biocide for cleaning biofilms on hard surfaces

## MAC Hi Turbo instructions for use

MAC Hi-Turbo is a professional biocide for use on external hard surfaces, including; roofs, driveways, pavements, concrete, around buildings and on artificial sports surfaces such as tennis courts to control moulds, fungi and algae. MAC Hi-Turbo is ideally applied as a spray. It can also be applied by brush or mop. It is essential that all areas to be cleaned are thoroughly wetted with the product. MAC Hi-Turbo works on contact and continues to work for 5 to 7 days after application. In some instances a second treatment may be necessary. All surfaces may be used after the surface has dried. A new solution should be made up daily.

**H410 - Very toxic to aquatic life with long lasting effects.**

**H314 - Causes severe skin burns and eye damage.**

**H335 - May cause respiratory irritation.**

The COSHH (Control of substances hazardous to health) Regulations 2002 (as amended) apply to the use of this product

Wear protective gloves/face protection/protective clothing/respiratory protection/protective footwear. **IF SWALLOWED:** rinse mouth. Do NOT induce vomiting. **IF ON SKIN (or hair):** Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. **IF INHALED:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Dispose of the contents and/or its container in line with regulations on dangerous waste or packaging and waste packaging respectively.

Do not contaminate foodstuffs, eating utensils or food contact surfaces. Wash hands and exposed skin before meals and after use. This material and its container must be disposed of in a safe way. Keep in a safe place. The COSHH (Control of Substances Hazardous to Health) Regulations 2002 (as amended) apply to the use of this product at work. Avoid excessive contamination of coveralls. Keep away from treated surfaces until dry. To avoid risks to human or animal health, or the environment, comply with the instructions for use.

EUH208: Contains d-limonene. May produce an allergic reaction.

**DANGER**

**UN1903**

### Statutory conditions of approval relating to use

Read all precautions before use. For use only by professional operators. For use only as a surface biocide

**HSE: 10996-GB**
