Material Safety Data Sheet

Amvista Thatch Go

SECTION 1: Identification of the Substance/Mixture and of the Company/Undertaking

1.1 Product Identifier

Product Name Amvista Thatch Go

1.2 Relevant identified uses of the Substance or Mixture and uses advised against

Identified Uses Fertiliser
Uses identified against None identified

1.3 Details of the Supplier of the Safety Data Sheet

Supplier Angus Horticulture Limited

Polmood Guthrie FORFAR DD8 2TW

+44 (0) 1241 829049 +44 (0) 1241 829043

<u>1.4 Emergency Contact Number</u> +44 (0)1674 674253/674352

SECTION 2 Composition/Information of Ingredients

This formula is a balanced blend of micro-cultures believed to assist with the organic

decomposition and improvement of waste materials and plant remains.

Hazards Identification

Low Hazard rating. Not listed as hazardous for shipment by land, sea or air.

SECTION 4 First Aid Measures

4.1 Description of first aid measures

Inhalation Remove to fresh air. Keep warm and at rest.

Skin contact Wash with soap and water.

Eye contact Wash with plenty of water for at least 10 minutes with eyelids held open.

Ingestion Not harmful. Drink plenty of water.

Medical Notes

SECTION 5 Firefighting Measures

Extinguishing Media Any type appropriate for surrounding fire.

Exposure Hazards Dust may be flammable in high concentrations.

Protective Equipment Normal protective clothing.

SECTION 6 Accidental Release Measures

6.1 Personal precautions, protective equipment and emergency procedures

Personal precautions Normal protective clothing, goggles and gloves. Environmental precautions Not considered harmful to the environment.

Spillage control Dispose of in accordance with local authority regulations.

SECTION 7 Handling and Storage

Handling Normal protective clothing, goggles and gloves.

Storage Store in a cool, dry place.

SECTION 8 Exposure Control/Personal Protection

<u>Exposure controls</u> Avoid high concentrations of dust.

Personal protection

Respiratory Face mask.
Hands Wear gloves.
Eyes Wear goggles.

Skin Normal protective clothing.

SECTION 9: Physical and Chemical Properties

9.1 Information on basic physical and chemical properties

Appearance Free-flowing light green coloured powder.

Odour N/A pH N/A

Melting point Boiling point

Change in physical state

Bulk Density

Solubility in water at 25°C Soluble

SECTION 10 Stability and Reactivity

Conditions to avoid Dampness. Do not freeze.

Materials to avoid Strong acids or alkalis

SECTION 11 Toxicological Information

11.1 Information on toxicological effects

Inhalation This product is considered to be non-hazardous.

Skin Eyes Ingestion **SECTION 12 – Ecological Information** Not considered harmful to the environment.

Spillage should be swept into suitable containers for disposal in accordance with local

authority regulations.

<u>Section 14 – Transport Information</u> Low hazard rating. Not listed as hazardous for shipment by land, sea or air.

Section 15 – Regulatory Information Low hazard. Not listed as hazardous for shipment by land, sea or air.

CAS Number EINICS Number UK Customs Number

Section 16 Other Information

DISCLAIMER

The information in the safety document applies only to the specific product detailed in Section 1 and is not necessarily correct for use with other chemicals/products.

The product information in this data sheet is, to the best knowledge of Angus Horticulture Ltd, correct at the date of publication.

The manufacturer or Supplier does not accept liability for any loss or damage resulting from reliance on this information. Final determination of the suitability of any product is the responsibility of the user. All materials may present unknown hazards and should be used with caution. Although certain hazards are described herein, it cannot be guaranteed that these are the only hazards that exist.
